

Week 12 Check List

Congratulations! 😊

- Watch the introduction to traffic generation video, explaining the importance of this in many areas of your business.
- Use article submission sites (ezine articles) to generate free traffic.
- Find and contact JV partners using the ClickBank marketplace and Warrior forum using the JV proposal email template I have provided.
- Use forum signatures in multiple forums to generate traffic, make sure you make quality posts.
- Use the multiple traffic generating videos, methods, tips and techniques in Total Web Traffic to ensure you have as many traffic generating methods in place as you possibly can.
- Try to implement as many of the traffic generating techniques that I showed you as you possibly can. Traffic generation is a constant part of your business, in order to keep traffic flowing to your websites, products and pages, you must continuously generate traffic!
- Continue to make posts on other students blogs that may be constructive, helpful or informative.
- Look out for each other and always try to keep helping whenever possible, you never know when you may need the favour returned!
- If you enjoyed the course then please leave your [feedback](#) or a [testimonial](#) it will be very much appreciated!
