

## Week 4 Check List

**No cheating, don't tick them off until you have completed the task 😊**

- Add ClickBank Ad Rotator ads to your Wordpress blog.
- Add AdSense to your Wordpress blog.
- Add images to your Wordpress blog.
- Add videos to your Wordpress blog.
- Add affiliate banners to your Wordpress blog.
- Rebrand your own version of Online Marketing – The REAL Truth!
- Make manual tweaks to your Wordpress blog LightWord theme.
- Install Firefox Colorzilla and MeasureIt tools.
- Signup with Gravatar and add an email and picture.
- Continue to create content on your blog that may interest, attract or help others.
- Continue to make posts on other students blogs that may be constructive, helpful or informative.
